All proceeds to benefit First Unitarian Church of Rochester and the family of Joy Parker

About ODE TO JOY:

The ODE TO JOY benefit is a community-friendly event to raise funds for Joy Parker's changing technological needs as she lives with ALS, and also to provide legacy support for First Unitarian Church of Rochester where Joy finds peace with her spiritual community. The event will include a casual dinner & dessert, raffles, a silent auction, and live music.

About Joy:

Joy has been married for 12 amazing years to Mike Champlin, enjoys daughters Kate and Nicole, and 2 naughty cats named Buddy & Scottie. A photographer and artist for more than 30 years, Joy works as a Web Coordinator for WXXI Public Broadcasting. In April 2010, Joy was diagnosed with ALS (Lou Gehrig's disease). Since then, she has raised thousands of dollars for the Greater Rochester Muscular Dystrophy Association and The ALS Association; Upstate NY Chapter, including a generous grant from Madonna's Ray of Light Foundation.

Thank You.
